## MONROE DEFEATED

The Michigan Men Didn't Know They Were Playing.

Perrysburg downed the Monroe club on Sunday in a one-sided score—16 to 0.

Perrysburg played in old-time form and completely outclassed the visitors. The locals had their batting eye and drove out sixteen hits. Welch's curves were working fine. Two hits were secured off his delivery and one man reached third base.

The features were the all round playing of the home club and Statler's home run.

Perrysburg Juniors won from the O. B.'s Sunday afternoon by the score of 10 to 6.

Next Sunday the Juniors will play the Eureka. Game called at one o'clock sharp.

Next Sunday Walbridge will be the attraction, and William (Pete) Charles is leader. Pete says he will show the fans he can still play, and will defeat his old home town.

Of course the Perrysburg boys will be pleased to welcome "Pete" and will try to make the reception a warm one.

## WON FIRST PRIZE.

Ft. Meigs Grange of Perrysburg Brought Home the Banner.

Perrysburg Grange carries off prize flag at the Northwestern Ohio and Michigan Rally Day at Napoleon, on June 20.

The Perrysburg Grange has made a rapid growth since it started in March with Frank Fox as worthy master, and the splendid work done by its members. Of its 120 members, 108 in 31 machines, decorated with flags and banners, motored to Napoleon. Typical of Grangers, they went with well filled baskets and enjoyed a social picnic dinner.

State Masters Taper of Ohio and Ketcham of Michigan explained to the Grangers their part in the present war and how essential food production is in winning the present great struggle.

## BURGLARS AT PORTAGE.

Burglars, believed to have used chloroform to produce sound sleep, robbed the home of Elmer Meeks at Portage, Saturday night. The sum of \$450 was taken. Mr. Meeks was away on a fishing trip. Mrs. Meeks and children were alone. They awakened late Sunday morning and the mother experienced a severe headache.

## Forethought.

People are learning that a little forethought often saves them a big expense. Here is an instance: E. W. Archer, Caldwell, Ohio, writes: "I do not believe that our family has been without Chamberlain's Colic, Cholera and Diarrhoea Remedy since we commenced keeping house years ago. When we go on an extended visit we take it with us." Obtainable everywhere.

### Croup, Whooping Cough Relieved.

Children's diseases demand preparedness. When the child wakes up at night, gasping and strangling for breath, how thankful you are to have Dr. Bell's Pine-Tar-Honey at hand. This effective remedy loosens the mucous, and permits free and natural breathing. Its soothing balsams heal the irritated membrane and arrest further inflammation. Pleasant to take. Keep Dr. Bell's Pine-Tar-Honey in the house for all colds and bronchial troubles. At your druggist, 25c.

## RANDOM RECOLLECTIONS

Some Industries in Perrysburg of Many Years Ago.

The old flouring mill which stood for so many years on the bank of the old Maumee near the foot of Louisiana avenue, was one of the landmarks of the Burg. When it was built and by whom I never learned. My first recollection of it was in 1866, when the power to run the millstone was furnished by a large overshot waterwheel. There were several proprietors of this grist mill during its existence. If my memory serves me right, Peck & Miller operated this mill for several years in the sixties. My dear old friend, Perry Thomas, was the "miller" for many years, and he was very nice to the small boys who liked to visit the mill occasionally, showing and explaining to them how the wheat was ground and made into flour, and how the flour was packed into the barrels and sacks. For several years he was assisted by his son, Jerome Thomas, another great favorite of the writer. Jerome presented me with a nice pair of pigeons on one occasion, of which I was very proud. I took them home and prepared a nice cosy box for them in our barn, for their future abode, but as soon as they were freed they made a straight line back to the grist mill, where they were born, and where they had an unlimited food supply. From the streak they made through the air in their race back to the old mill one would have thought they must have been the original "homing" pigeons. Was I a disappointed boy? Sure. What youngster would not have been under the circumstances? Perry Thomas had the distinction of living in the northernmost house in the town, on the brow of the hill at the north end of Commercial street.

This flouring mill was also owned and operated for a number of years by the late James P. Averill, who was succeeded in the management by the firm of Ross & Sisson, James W. Ross and Charlie Sisson, the latter of whom was a practical miller. This firm operated the mill for several years and made a specialty of doing custom grinding for the farmers in this vicinity, and for some time they did a thriving business in this line. They finally ceased operations, and the mill remained idle for some time. The late George Boetsch secured control of the

## GRANGE PICNIC

Fourth of July Will Be Celebrated at Fort Meigs.

Old Fort Meigs will be a lively spot on the Fourth of July if the weather man is good.

The members of Fort Meigs Grange of Perrysburg, have arranged a Grange picnic for Wood and Lucas County Granges for that date at the Fort.

Granges from every part of Wood county and fifteen other counties have been invited and there is prospect that the old historic grounds will be visited by a larger number of people than have assembled here in many years.

The program as now arranged is subject to change and may have many additions, but as it is now will furnish splendid entertainment for the day.

There will be a parade through the town and up to the Fort. The parade will form at the public school house at 10:30 a. m., and march to the Fort where the people will have time to enjoy their picnic dinner.

At 1:30 p. m., the program will open with music by the band.

Address by Hon. George F. All-drich, of Helena, Ohio.

Music by the band.  
Address by Hon. William H. Cresswell, State Grange Speaker, of Mt. Gilead, Ohio.

Reading by Mrs. Frank Kazmaier.

Address by Hon. J. H. Brigham.

Music.

Address by Hon. W. G. Farnsworth.

There will be many other features added to the program which will make the occasion one of pleasure and profit to all who attend.

The Sunday Schools of Perrysburg will hold their picnic at Fort Meigs on the 4th of July as announced last week. The Grangers and S. S. managers have agreed upon a united celebration on that day.

On account of July 4th being a holiday next week's issue of the Journal will be one day late.

## WOOD COUNTY RACES

Expected to be Bigger and Better This Year.

Indications are that the Wood county fair this year will be a bigger event than ever insofar as races, at least, are concerned. Thirty-nine horses have been entered in the 2:19 trot stake race on the opening day; 29 in the 2:20 pace stake race for Wednesday; and some very fast horses are entered for the pace Thursday; and for the 2:15 trot stake for the closing day. The fair will be held September 11-14, inclusive. Purses of \$500 and \$1,000 will be given.

## Stomach Troubles and Constipation.

"I will cheerfully say that Chamberlain's Tablets are the most satisfactory remedy for stomach troubles and constipation that I have sold in thirty-four years' drug store service," writes S. H. Murphy, druggist, Wellsburg, N. Y. Obtainable everywhere.

## PERRYSBURG GIVES \$7,135

To the Red Cross for the Cause of Humanity.

Always ready to do their part in any and every honorable or worthy cause, the people of Perrysburg town and township made a most generous response to the call for help that was sent out by the Red Cross Society.

The amount expected from this village was placed at \$2,000 and it seemed that that amount would be fully all that could be expected—indeed, many thought the figure was too high for the town. BUT—Perrysburg got busy.

Perrysburg organized. Perrysburg produced

OVER \$7,000 FOR THE RED CROSS.

There were five teams composed of men and they canvassed the village with a determination to make a good report for the home town—and they did it.

AND THE WOMEN—don't forget the women—did some good work for their own splendid little organization. They gathered shingles to the amount of

NEARLY THREE THOUSAND DOLLARS

and placed with the work of their brothers in the cause and Toledo's report to Washington was increased by the sum of \$7,134 large, hard working dollars in the name of the pretty little old village of Perrysburg.

We challenge any other town in the state of Ohio to show a record that will equal Perrysburg's.

There were some very interesting incidents connected with the work.

A little boy met one of the solicitors on the street and said to him, "Mr. —, do you collect the money for the Red Cross?" "I do," exclaimed the gentleman. Then, reaching up his chubby little hand, the boy said, "Well, here's all I got. I want to give that much, anyway." The little fellow turned and ran away before the solicitor could obtain his name. The amount was FIFTEEN CENTS—not much as money goes—but a real gold mine when the loyalty of heart and the generosity of the soul of a little man in figures who was willing to sacrifice all the pleasure that fifteen big pennies would buy for an 8-year-old boy.

Never can tell when you'll mash a finger or suffer a cut, bruise, burn or scald. Be prepared. Thousands rely on Dr. Thomas' Eclectic Oil. Your druggist sells it. 25c and 50c.

The amounts as collected by the various teams are reported as follows:

C. P. Champney's team.....	\$ 441.50
E. C. Averill's team.....	766.00
George J. Munger's team.....	673.00
Dr. Canfield's team.....	136.50
C. L. Mercer's team (township).....	956.90
Ladies of the Red Cross Society.....	2,366.00
Veitch's team.....	264.50
General fund.....	1,530.37

Total.....\$7,134.77

While much credit is due everybody who helped in the work, and it is not our intention to make special mention of any individual, it is only fair to compliment the men who had the work of collecting funds in the township outside of the village. Their work was unusually difficult because of the territory to be covered and many other features. That they succeeded in securing \$956 is evidence of much work and a splendid spirit prevailing throughout the township.

In the "General Fund" is included:

Masonic Order.....	\$25.00
C. M. B. A.....	25.00
L. C. B. A.....	5.00
W. O. W.....	15.00

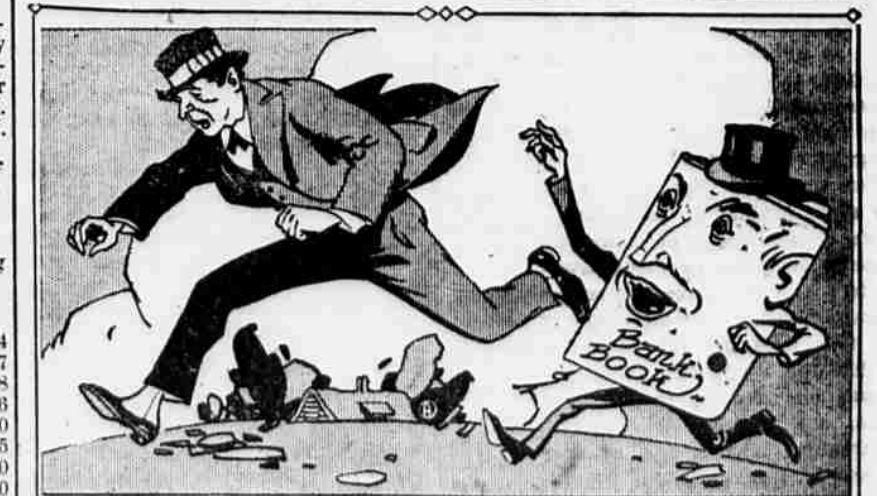

That Perrysburg should have contributed so generously to the great cause is a matter in which our people should take great pride. In this work great assistance has been given by those who have divided their contributions between our village and the city.

That the Perrysburg Red Cross ladies are doing much good work is evidenced by the fact that they have sent to Toledo up to June 22, the following:

48 eye pads.....	
12 knitted sponges.....	
192 4x4 compresses.....	
240 4x4 sponges (wipes).....	
48 9x9 compresses.....	
242 rolled bandages.....	
8 convalescent robes.....	
24 body bandages.....	

These articles indicate many hours of patient labor and have been pronounced by the managers of the Toledo Chapter to be the best work sent to that chapter from any auxiliary working society or individuals.

RED CROSS WORK AT CIVIC ROOMS TUESDAYS AND FRIDAYS EVERY LADY INVITED TO COME AND HELP
